0+4

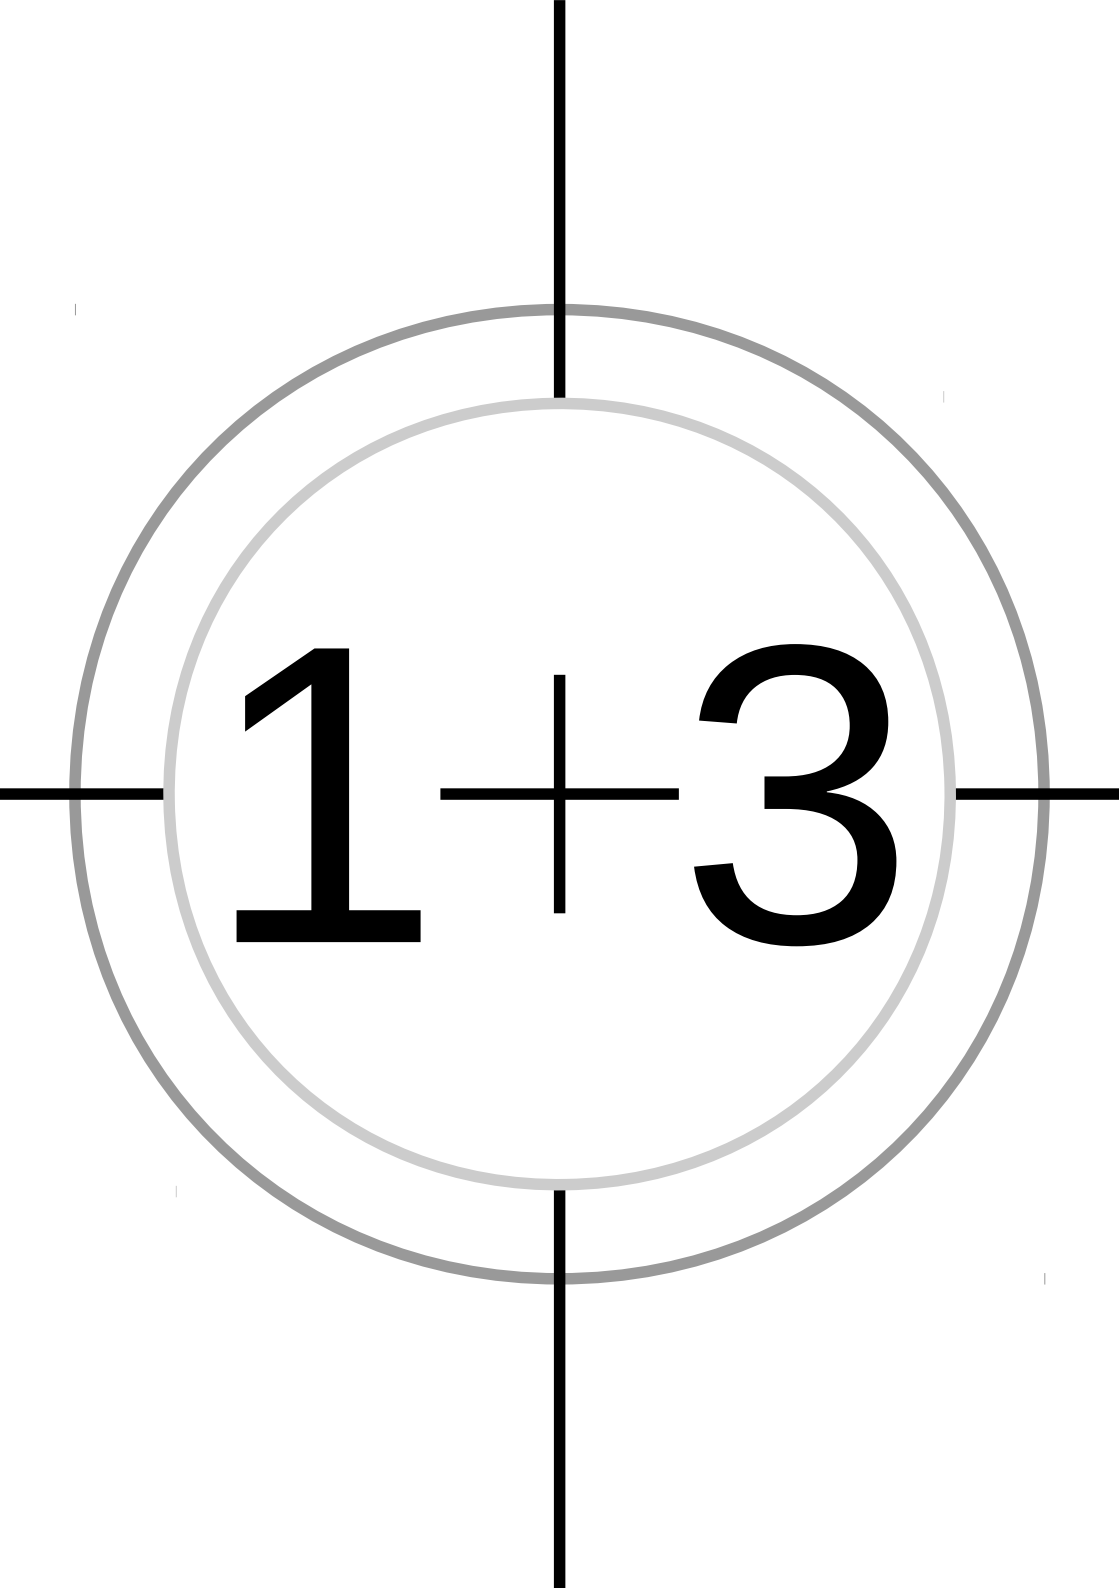

The image features a central graphic consisting of two concentric circles. The outer circle is a dark gray, and the inner circle is a lighter gray. Between the two circles, centered horizontally, is a black plus sign (+). This entire graphic is superimposed on a black crosshair that divides the image into four quadrants. The crosshair consists of a vertical line and a horizontal line that intersect at the center. The background is white.

$$1+2$$

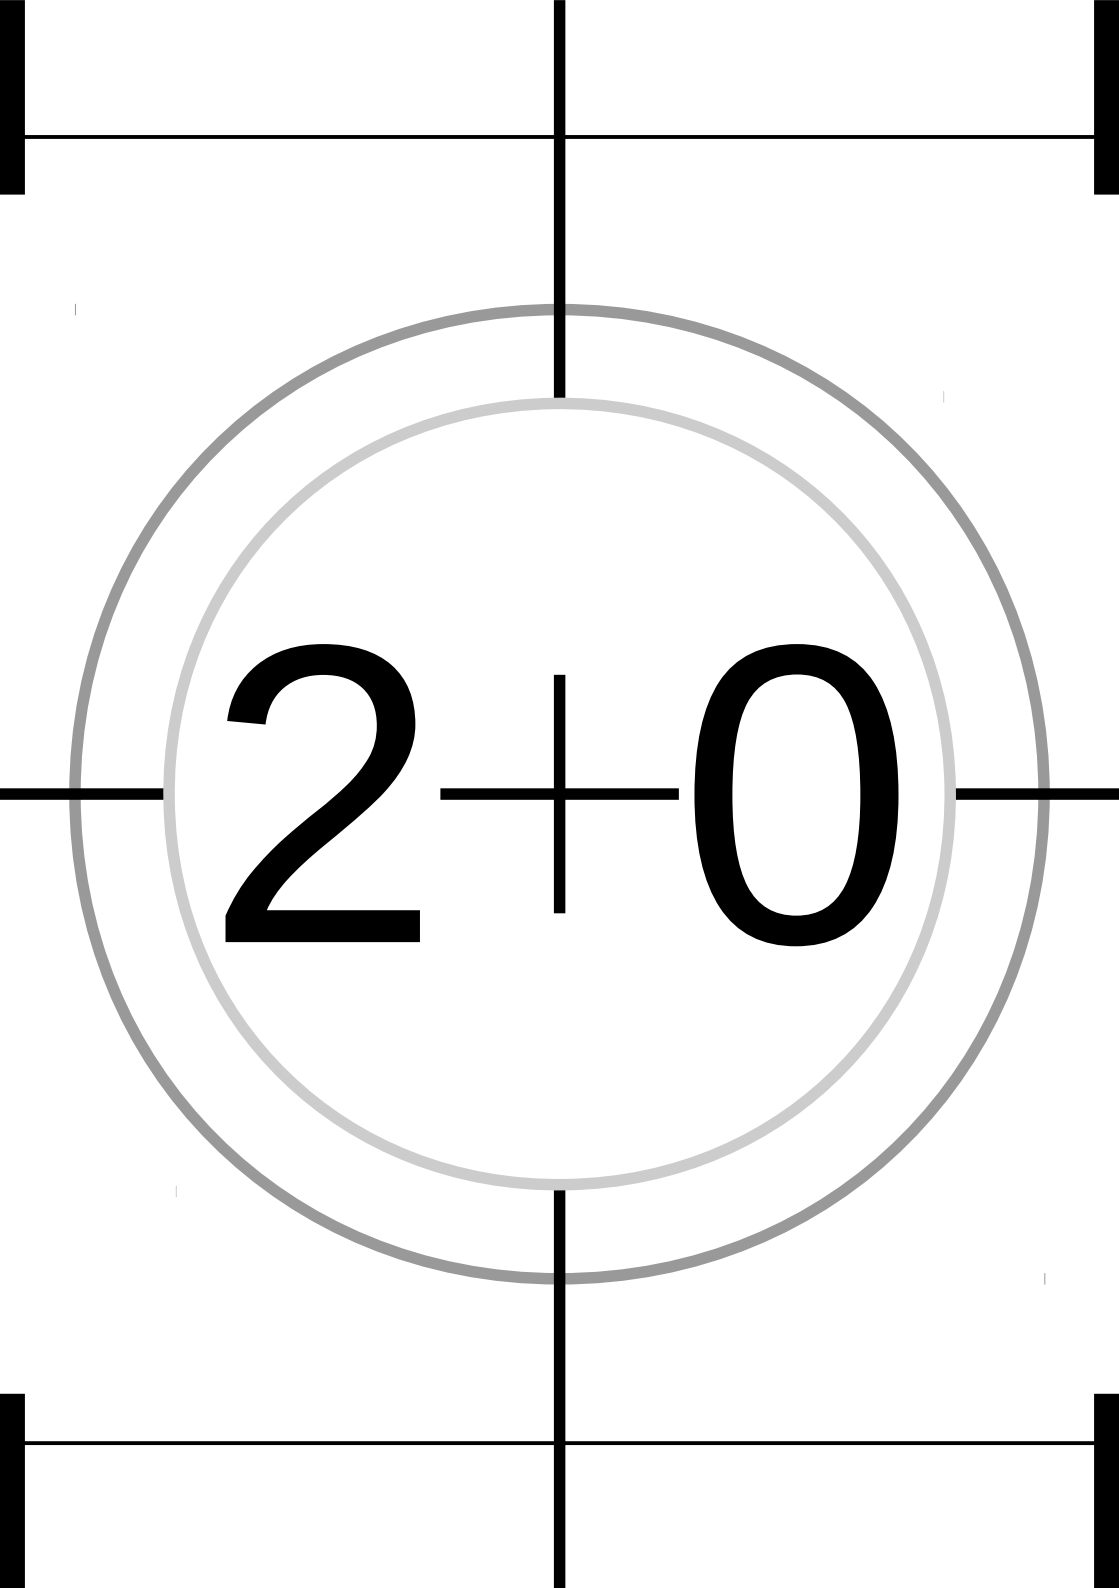

$$1 + 3$$

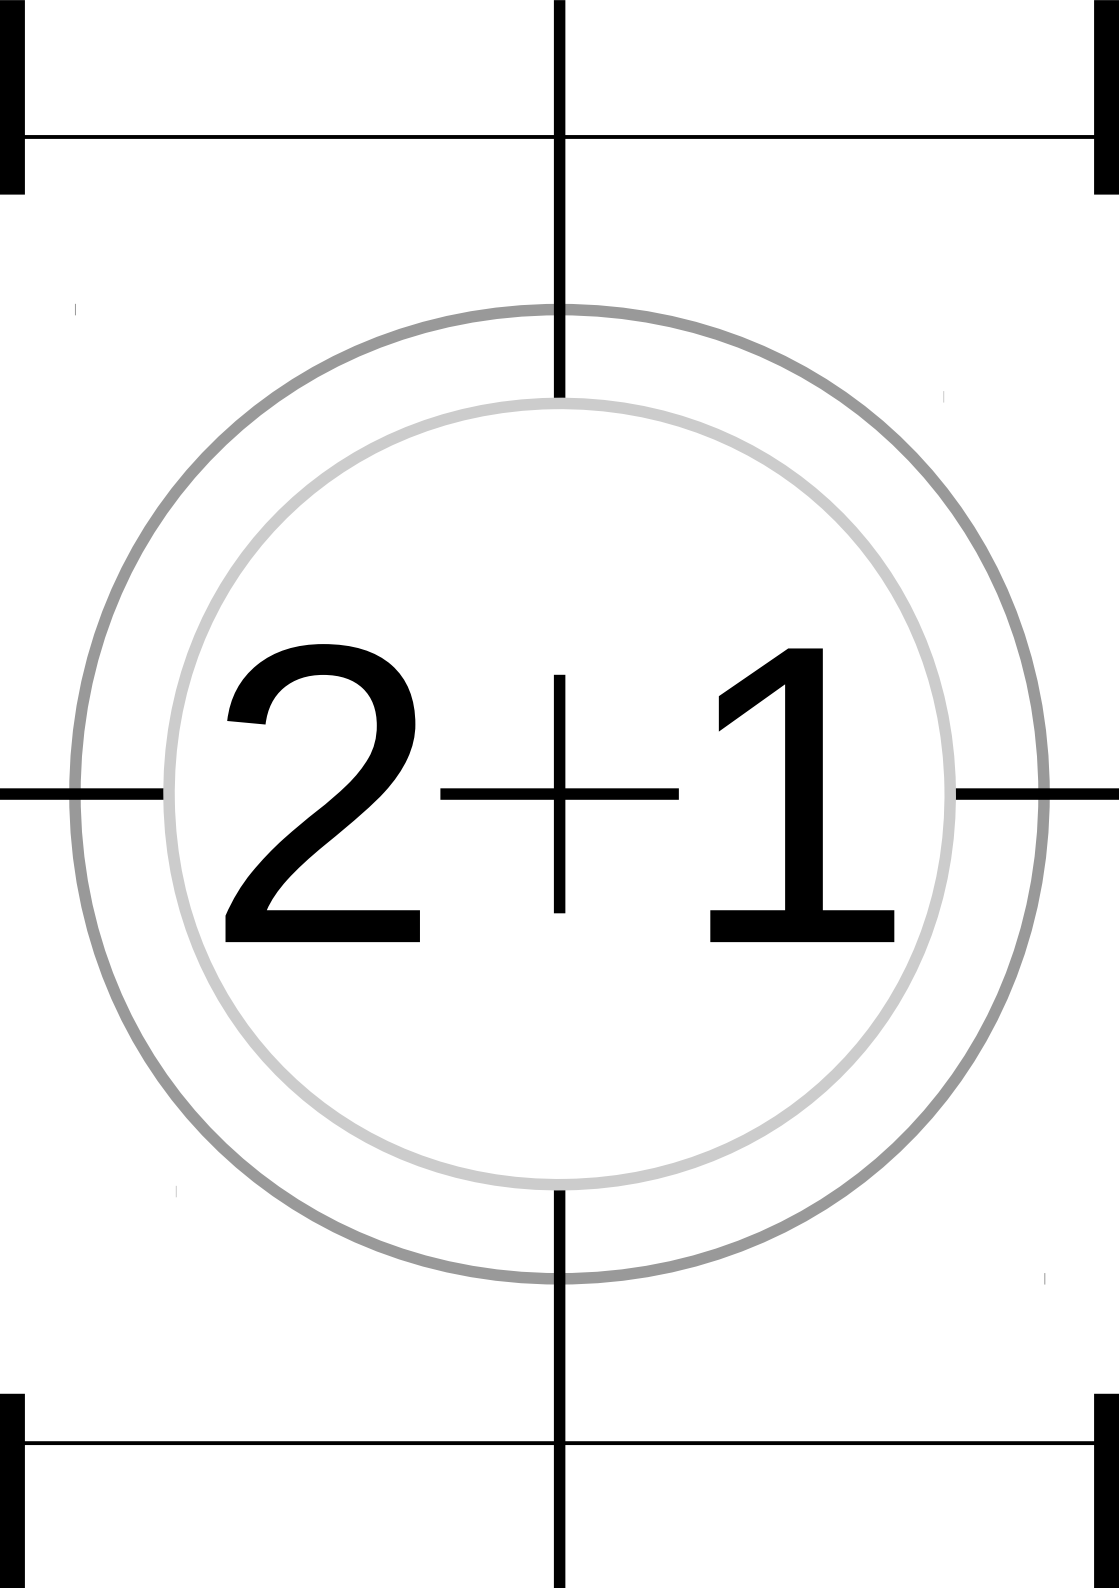

1+4

The image features a central graphic on a white background. It consists of two concentric circles: an outer circle with a thick gray border and an inner circle with a thinner light gray border. In the center of these circles is the text "1+5" in a large, bold, black, sans-serif font. A black crosshair is superimposed over the entire composition, with a vertical line and a horizontal line intersecting at the center. The lines extend to the edges of the frame, where they are capped with thick black rectangular blocks. The overall aesthetic is clean, modern, and minimalist.

$$3+2$$

The image features a central graphic consisting of two concentric circles. The inner circle is light gray, and the outer circle is a slightly darker gray. In the center of these circles is the mathematical expression $3+3$ in a large, bold, black serif font. A black crosshair, composed of a vertical and a horizontal line, is superimposed on the circles, intersecting at the center of the circles and the equation. The background is white, and the corners of the image are marked with black L-shaped brackets.
$$3+3$$

$$3 + 4$$

The image shows a mathematical equation, 3+5, centered within two concentric circles. The circles are light gray. A black crosshair, consisting of a vertical and a horizontal line, is superimposed over the circles and the equation. The equation itself is rendered in a large, bold, black sans-serif font. The overall composition is clean and minimalist, with a white background.
